Erwin,

I spoke with Phil yesterday evening, and unfortunately 10 am PST will not work for him. Can you do a call start time at 1, 2 or 3 pm PST (10, 11, or Noon Hawaii time)?

Steve,

Per our phone call, I spoke with Exponent and we are available for a conference call on Wednesday, July 5. A call at 10:00 AM PST (11:00 AM MST, 7:00 AM Hawaii time) is recommended. Attending for BWS will be myself, Joe Tracy (INTERA), Larry Eiselstein and Brian McDonald (Exponent). Please let me know and me the call-in information. Thanks.

Subject: Are you available for a short check-in call tomorrow

I want to discuss with you some issues you and your consultants raised on the destructive testing plan.

And I also want to discuss how to continue our discussion on information sharing and FOIA. I mentioned to the Navy your suggestion for a face to face meeting in July in SF and their pushed back some based on timing and location. DOH also has constraints.

Thanks
